

# Finger & Hand Printing Flower Pot Card

11 May 2014 is Mother's Day! Make your Mummy smile by expressing your love through this simple handmade card!

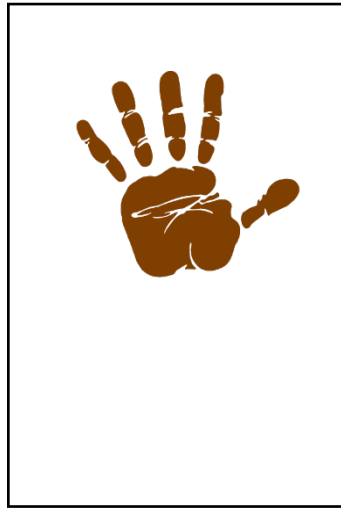

This activity will allow your child to:

- Explore creating pictures with hand and finger print
- Express love for mother through written sentences

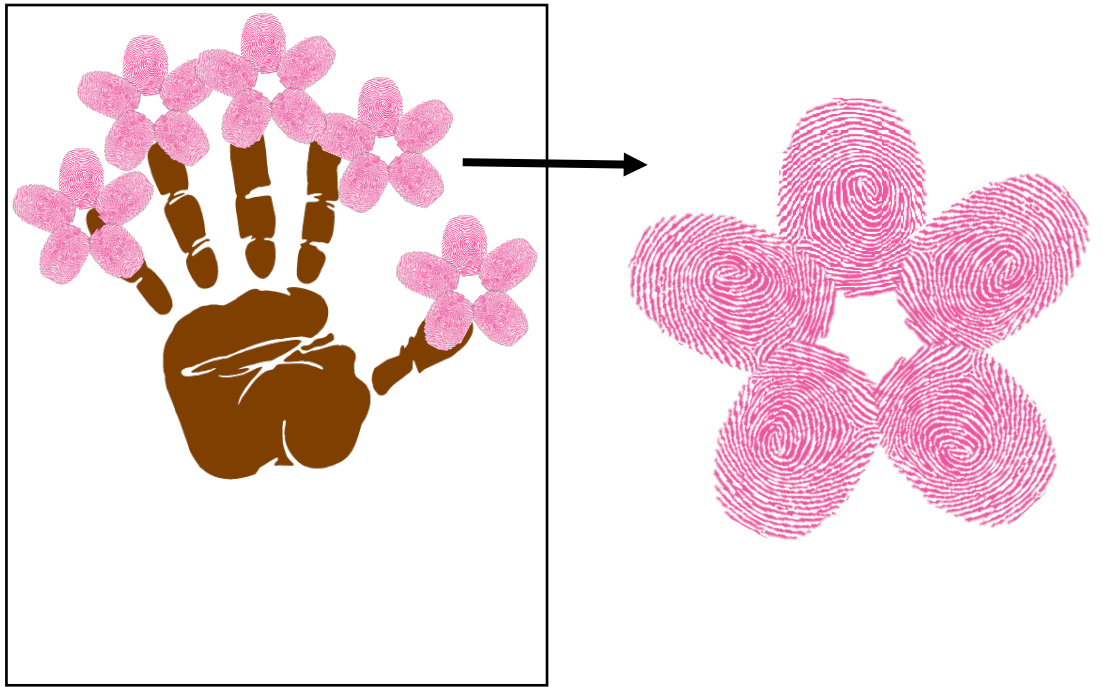

Print the flower pot template on page 3 and follow the instructions on page 2 to create this card!

Make a handprint in the middle of the page using paint or ink pad.

Use your thumbprint to make the flowers.

Cut out the printable flower pot and write your message to Mummy!

I love my mother  
because...
